January 2024

- In person meeting at ITCN with Yomba Admin and Tribal Council member. Discussion of help needed, also in attendance Deserea Quintana, ITCN Director, Raynell Miller, ITCN
- In person meeting with Washoe Tribe in Dresslerville, Dresslerville, Stewart, Carson, and Woodfords Community Council members present as well as admin staff. Discussion on projects. Will be meeting with their Councils through the month of January.
- Attended and on the Agenda for the Pyramid Lake Paiute Tribal Council. PowerPoint presentation.
- TEAMS Monthly Meeting with Dan Olson, GFO State ARPA, meeting turned out to be with entire GFO staff. Questions about report to be complete for Legislature.
- Zoom Meeting with GFO State ARPA and Brian Mitchell of the Office of Science, Innovation and Technology (OSIT) Program, discussion on using NIC Subgrant funds for Broadband. I advocated that we should be able to use the funds that are readily available and not have to apply further for grants to wait for approval when we had money already available. Brian Mitchell, OSIT Program agreed. Now we can use the NIC Subgrants for Broadband.
- Zoom meeting with Casey Van Patten and Lesley Volkov, State GFO, to complete Legislature Report.
- In Person Meeting at Walker River Paiute Tribe Administration to have Chairman Andrea Martinez sign the Agreement, the first Tribe to sign for their NIC Subgrant CSFR.
- In Person Meeting at Reno Sparks Indian Colony Administration to have Chairman Daryl Gardipe sign the Agreement for their NIC Subgrant CSFR.
- In Person Meeting at Battle Mountain Band Council Administration to have Chairman Clarinda Guzman sign the Agreement, for their NIC Subgrant CSFR.
- Update sent to all Tribal Leaders/Follow up phone calls.

For your information:

Process for Application Submission:

1. Submit Application to NIC ARPA Team
2. NIC ARPA Team will review, make recommendations to Tribe (if needed), follow up with Tribe on recommendations.
3. Revisions made by Tribe, resubmit to NIC ARPA Team for review,
4. After reviewed, recommendation made by NIC ARPA Team for approval of application to State ARPA Team for review and approval.
5. State ARPA will either approve or recommend changes to the application.
6. If approved, NIC notifies Tribe of approval of application.
7. Arrangements made for Agreement signing by the Tribal Leader.

Please see attached *28 Tribes at a Glance Spreadsheet* for updated information on the Tribal application status.
